PRIORITIES

- 1.
- 2.
- 3.

New Erasmus Programme

New features in Mobility (KA131)

- *Long term mobility** (min. 2 months)
- **Short stay*** (5-30 days)
- **Blended intensive programmes***
- **International mobility**
- *Doctoral mobility*
- *Digital skills mobility for staff*

New Erasmus Programme

Short stay (5-30 days)

Procedures in line with regular E+ mobility activity →
LA and ToR

Blended intensive programmes

At least a 3EC Course developed and taught by staff
of at least 3 programme countries min. 15 participants and
Mandatory virtual component before and after.

New Erasmus Programme

Many new opportunities but also many loose ends and concerns:

- Financial means/framework
- Different policies/interpretation guidelines E+ programme by National Agencies
- Internal priorities

New Erasmus Programme

New features in Projects (KA2)

Not in detail but new interesting options

[Erasmus+ Teacher Academies](#)

These Academies will embrace multilingualism and cultural diversity, develop teacher education in line with the EU's priorities in education policy and contribute to the achievement of the objectives of the [European Education Area](#).

[Online info session](#) 10/06/21 (3 hour-session ☹)

Will be continued in autumn meeting
